

Cranford Park Academy App!

Cranford Park Academy is pleased to announce that it is launching an app to help improve communication with parents. It's free to download. We hope our new app will make your lives easier.

You can download the app in Google Play or the Apple App Store right now just search 'Cranford Park Academy'.

Features include:

News – Catch up with all the latest fun, and topics
Events – Save your favourite event, never miss a thing
Information – Important school details and documents
Messages – Alerts and notifications about school life and current events.
Forms & Surveys

The School will also be able to upload pictures, video, PDFs and create links to other resources.

The app uses a premium push notification service.

In the side menu tap 'Settings' then tap 'Channels'
You can then select push notifications groups that are important to your child or children. Meaning you will be only alerted to messages that are relevant to you.

We would like to invite you to learn more about the app at a special meeting of the Parent Council on Tuesday 7th February at 9.00am. If you would like to attend this session please complete the slip below:
