

Cranford Park Academy School PE and Sports Grant 2016-17

Following the London 2012 Olympic and Paralympic Games the Government has provided funding for schools to secure a significant and lasting legacy for the children. The aim is to develop an enjoyment of sport and physical activity, and to promote a healthy lifestyle in children from an early age.

During the academic year 2016-17 Cranford Park Academy should receive £12,500 to spend on sport.

The money is ring-fenced and must be spent on sport and PE. It is up to each individual school to decide how this money is to be spent. At Cranford Park Academy we have decided to continue our focus on specialist sports provision and additional opportunities for swimming and extracurricular activities. This is to ensure that the children get the best quality PE lessons and staff get a rolling program of professional development. We have developed an integrated development program for teachers involving observations and team teaching.

As well as our own in-school sports coach we have also employed regular cricket, netball and basketball and girls' football coaches who provide PE lessons and after school clubs. As a result of this all children from Year 1 to Year 6 will benefit from specialist curriculum support and approximately 80 children (15 girl's football, 15 cricket, 20 basketball, 15 tag rugby and 15 netball) will benefit from weekly sports clubs in addition to the 110 who have after school clubs with our own sports coach.

In 2014, we increased opportunities for curriculum swimming. In addition to our Year 5 swimming lessons all of Year 4 now attend a series of weekly sessions. In total 240 children are now accessing regular swimming through school. This additional opportunity has already impacted on the children (2nd in the Hillingdon swimming gala 2016). The swimming teachers have been delighted with the higher standard of swimming demonstrated by the Year 5 children swimming this year as a result of the additional lessons in Year 4 the children received last academic year. We will also repeat last year's successful venture to enable our swimming team of approximately 20 children to attend training sessions at a local pool, prior to their swimming gala.

We continue to take part in a very wide range of tournaments and competitive sports events this year. We plan to participate in events such as the football and netball leagues, sports hall athletics, a mini tennis, district sports, quad kids athletics, a girl's football tournament, basketball, hockey and cross country.

Although most of the funding will be spent on specialist teachers (netball, cricket, mini squash and basketball) and swimming we are also planning to spend some of the grant on upgrading equipment and buying new resources such as an outdoor table tennis table.

Finally as part of the Park Federation, we continue to offer a programme of additional special sporting events for children including football, netball, dodgeball, cross country and cricket tournaments. In addition a highly successful Athletics event at the Thames Valley Stadium rounds off the school sporting year perfectly. Some of the funding has been used to enable these events to happen and will mean that approximately 140 talented children will get to compete in high quality competitions against teams from the other Park Federation academies. Last year we expanded our programme of Federation Sports Events to include a Multi-Sports festival for Years 1&2. This year we are adding new tennis tournament.

At Cranford Park we are proud of our wide range of lunchtime and after school sports clubs and high quality PE lessons with specialist teachers. We also have a very busy calendar of sports events and well resourced lessons and activities. The photo section of our website will give a flavour of the sporting year as it unfolds.

Impact of the PE and Sports Premium in 2015/16

Provision	Impact
Swimming in Year 4	Children entering swimming in Year 5 at a higher level, 40% increase in children in the middle and higher ability groups. Far fewer non swimmers. Positive feedback from teachers and swimming coaches at William Byrd. Faster times from more children at our swimming trials and practice. Our 'A' team came 2 nd = at the Hayes & Harlington Swimming Gala.
Specialist Basketball Coach	Staff confidence in teaching basketball increased as a result of opportunities to observe specialist teaching and teach alongside the coach. After school club very popular with over 60 children taking part over the year. This enabled us to enter 2 teams at the borough basketball tournament.
Specialist Cricket Coach	Staff confidence in the teaching of cricket increased as a result of opportunities to observe specialist teaching and teach alongside the coach. After school club was full. Demand was higher than places available. 20 children took part in the cricket team coaching, with children on the waiting list.
Quick Sticks Hockey Resources	This has allowed teachers to teach to the requirements of 'Quick Sticks Hockey'. 210 children were taught this version of hockey last year. Very positive feedback from the children and staff using the scheme and resources. We are now in a position to enter the borough competition this year.
Specialist Netball Coach	Netball club is well attended and has enabled us to play successfully in the pre-league friendlies, the netball league and Federation tournament. 15 children were part of the netball squad and attended regular training.

Cranford Park Academy - PE and Sports Grant statement
How do we plan to use the PE and Sports Premium in 2016/17?

We expect to receive funding of £12,500 during the academic year. We plan to spend it as detailed below:

Provision	Planned Expenditure	Desired Impact	How will we measure the impact?
<p>Swimming in Year 4 for all 4 classes (120 children). This is in addition to statutory PE lessons in Year 4 and swimming in Year 5.</p> <p>Each class will receive 10 half hour lessons from qualified swimming instructors during the year.</p> <p>To continue with swimming time trials for selecting the school team and a team practice prior to the gala.</p>	<p>£5000</p> <p>This includes pool hire, swimming instructors and transport to and from the pool.</p>	<p>To promote swimming as a vital life skill with more children enjoying and being able to swim 10 metres by the time they leave Primary School.</p> <p>More confident swimmers going into year 5 and more children encouraged to join swimming clubs or go swimming outside of school.</p> <p>A better range of swimmers to select the school team from for the annual gala. Improved confidence, organisation and results at the gala.</p>	<p>Feedback from children and parents in Year 4 and of those involved with the team and gala.</p> <p>Assessment certificates from the swimming coaches.</p> <p>Feedback from the Year 5 teachers with regard to the standard of swimming at the start of Year 5.</p> <p>Number of children being selected for the gala trials. Times and results from the gala (2nd= in the gala 2016)</p>
<p>2 x curriculum basketball lessons and 1 x after school club per week for 10 weeks with a basketball specialist for all Year 5 classes (120 children).</p>	<p>£2000</p>	<p>To work alongside teachers to improve their confidence and knowledge in delivering basketball.</p> <p>Increased participation and enjoyment from the children through the lessons and club.</p> <p>Improved links with local clubs (The coach is from Brunel).</p> <p>Opportunity for the school to enter the borough basketball tournament.</p>	<p>Pupil and teacher feedback and surveys.</p> <p>Ability to be able to continue to enter two teams in the borough tournament.</p> <p>Number of children attending the after school club.</p> <p>Amount of basketball being played at playtimes.</p>
<p>2 x curriculum cricket lessons and 1 x after school club per week for 12 weeks with a cricket specialist for all Year 4 classes (120 children).</p>	<p>£1000</p>	<p>To work alongside teachers to improve their confidence and knowledge in delivering cricket.</p> <p>To sustain the high profile of cricket in the school and borough.</p> <p>Increased participation and enjoyment from the children through the lessons and club.</p> <p>Improved links with local clubs (The coach is from Uxbridge CC).</p> <p>Opportunity for the school to enter all available cricket tournaments.</p>	<p>Pupil and teacher feedback and surveys.</p> <p>Ability to be able to enter boys' and girls' teams in the tournaments.</p> <p>Number of children attending the after school club.</p> <p>Amount of cricket being played at playtimes.</p>

<p>To introduce 'Mini Squash' in Years 3 & 4 in partnership with Middlesex Squash. Initially 6 lessons for 2 Year 3 classes & 2 x Year 4 classes as Indoor PE. Teachers will work alongside a qualified squash coach. The last session will be a visit to a squash club.</p>	<p>£1650</p>	<p>To introduce children to a sport that they might not otherwise be exposed to or have the opportunity to try.</p> <p>To develop a new links and pathways with local clubs (Uxbridge Squash Club & Heathrow Squash Club).</p> <p>If successful, there is the potential for inter-school matches.</p>	<p>Feedback from staff and children.</p> <p>Number of children that join a squash club as a result.</p>
<p>Specialist netball coach to deliver an after school club throughout the year.</p>	<p>£1000</p>	<p>To sustain the profile of girls' netball in the school and borough.</p> <p>To enable girls from Years 4-6 the opportunity to take part in regular practice and represent the school in matches and tournaments.</p> <p>To encourage children to continue netball after Primary School.</p> <p>To keep good links with local clubs (Coach is from Charville Netball Club).</p>	<p>The number of girls attending the netball club.</p> <p>The success of the team in the yearly tournaments and competitions.</p> <p>Feedback from children through surveys and match reports.</p>
<p>Outdoor Table Tennis Table</p>	<p>£650</p>	<p>To provide children with more variety in the playground. Rob (sports coach) will oversee use of the table twice a week to help promote and support. If popular, we are looking at a Table tennis Club before school from January with an outside coach from Hillingdon. This will provide another pathway to an external club.</p>	<p>Number of children playing at play time and lunch time.</p> <p>Whether there is the demand for a Table tennis Club.</p>
<p>Table Tennis Club from January 2017 before school (8am-8:45am)</p>	<p>£300</p>	<p>To increase the profile of Table tennis.</p> <p>Provide links with local clubs.</p>	<p>Number of children attending.</p> <p>Ability to enter the borough table tennis Competition.</p>
<p>'Get CPA Fit' is 2 weekly sessions of 30 minutes for all ages and abilities of children (and parents) to take part in group fitness and exercise sessions from 8:15am-8:45am.
